

Application Serial No. 10/660,174  
Amendment dated July 7, 2005  
Reply to Office Action of April 7, 2005

CS221631US

### REMARKS/ARGUMENTS

Claims 2-18 remain pending in this application. In response to the Office Action, claim 2 has been amended. Claims 3-18 remain unchanged. Claim 1 has been canceled without prejudice.

**Rejection of Claim 1 under 35 USC §102(b) as being anticipated by Thompson et al (US 5,809,433):**

The rejection of Claim 1 under 35 USC §102(b) as being anticipated by Thompson et al (US 5,809,433) is moot in view of the cancellation without prejudice of Claim 1.

**Allowable Subject Matter:**

Applicants acknowledge with thanks the allowability of claims 2-8 once rewritten in independent form including all the limitations of the base claim and any intervening claims as set forth in the Office Action. Applicants have so amended these claims. Applicants acknowledge with thanks the allowability of claims 9-18.

The other references of record have been reviewed and Applicant's invention is deemed patentably distinct and nonobvious over each taken alone or in combination.

For the foregoing reasons, applicants respectfully request that the above rejections be withdrawn.

Inasmuch as this amendment distinguishes all of the applicants' claims over the prior art references, for the many reasons indicated above, passing of this case is now believed to be in order. A Notice of Allowance is earnestly solicited.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.
